

# PRIVACY NOTICE AND CONSENT FORM FOR THE BSGN LIFE SCIENCES INDUSTRY ACCELERATOR

The BSGN Life Sciences Industry Accelerator is an ESA programme, operated by MEDES with France Biotech, which aims at fostering the use of microgravity platforms in Low Earth Orbit to boost industrial activities for life sciences and cosmetic sectors.

To operate the programme, we are connecting with various actors from the life sciences and space areas, through event organisations, interviews, surveys or newsletters. Any personal data collected in the framework of the programme is protected under the following Privacy Policy:
