

# RECRUITEMENT

This section lists all recruitment opportunities at MEDES, whether for employment contracts, internships or for volunteers to participate in our clinical studies.

## Employment

MEDES currently offers a job:

 ["Crew support Engineer"](#)

## Internship vacancies

MEDES does not have any vacancies for internships at the moment.

However, MEDES occasionally recruits interns, mainly in IT and the biomedical field. Such offers will be posted in this section.

## Recruiting volunteers

MEDES seeks volunteers all year round to participate in clinical studies, in the fields of space and medicine.

If you wish to participate in these studies, [visit the relevant section of our website](#) to find out more.
